Introductory Clinical Pharmacology 7th Edition

[Introductory Clinical Pharmacology 7th Edition](#)

The seventh edition of Introductory Clinical Pharmacology reflects the ever-changing science of pharmacology and the nurse's responsibilities in administering pharmacologic agents. All information has been updated and revised according to the latest available information to prepare nurses to meet the challenges of safely administering medications.

[Pharmacology: An Introduction - McGraw-Hill Education](#)

This text presents a clear, concise introduction to pharmacology. Designed for the LPN/LVN student, the book focuses on basic principles and the nurse's responsibility in drug administration. Organized by body system, the book examines pharmacologic properties and therapeutic applications of drugs as a class or group.
